

16 October 1964

Mr. Kirkpatrick:

As General Carter was leaving this evening he asked if you would take care of the following things for him:

25X1

1. Needle Colonel Ledford or [redacted] on community vulnerability study on [redacted]. Make sure they get guidance from DCI as to how to handle it within Government.

2. Ask Mr. Karamessines to check Mr. Papich on what they know about [redacted] and then tell Houston and the DCI.

25X

25X1 3. Tell Mr. [redacted] to follow up on SIGINT Committee and his Chairmanship of it.

4. Tell Dr. Wheelon DCI thinks he should get himself a Deputy with a lot of Phi Beta Kappa keys who also has ability in the scientific field.

[redacted]
